# Customer **Spotlight**

Trifecta Verde En Resplendor has all the features that I expected in my villa. The site size, the construction plan shown & the quality of the products to be used for my villa is as per in comparison to other villa projects. I visited coming to the day 1 visit, I was not treated as a customer but as an owner of the villa. The entire sales team & hospitality team was courteous and accommodating, what impressed us furthermore was the team agreeing for the modifications inside the house & minor architectural changes to fulfill our requirements. The villa & sites planning is Vaastu compliant. I would any day recommend Trifecta projects for any real estate investments & dream homes.

Thanks Trifecta & Team (Suresh, Murali, Vijayan) & CRM Team for support during payments & for agreement (Shalini)
